2011 Ken Vandehei Memorial Scholar Winners

This past May 2011, four outstanding seniors in the Higley Unified School District received a total of \$15,000 from the Ken Vandehei Memorial Scholarship Fund, bringing the total amount of scholarships in the last four years to \$80,000.

Quinton Moore received \$4,000, Leah Fiacco received \$4,000, Mary Ngugi received \$3,500 and Kevin Risser received \$3,500.

All of this was possible because of generous donations and contributions, from across the country, and the Annual Ken Vandehei Memorial Golf Classic.

Ken Vandehei, a local businessman was tragically killed by lightning in July 2006, while vacationing with his family at Lake Powell. His family established the Ken Vandehei Memorial Scholarship Fund through the Higley Education Foundation, as a tribute to Ken. Ken felt it was important for students graduating from high school to continue their education by going to college.

It is our hope that through continued donations, and the funds raised by the Annual Ken Vandehei Memorial Golf Classic, that future outstanding seniors in the Higley Unified School District will benefit from the scholarship fund.

Thank you for "Sending a Dream Forward"!
