About the Director

Mrs. Ashley Lewis Alexander

Ashley grew up in Mesa, Arizona and began dancing at a young age. She studied at many local dance studios and participated in her high school dance program where she developed a love for dance. At the age of 16 she began choreographing and teaching dance classes. At this point, she knew that she wanted to continue to teach and share her passion for dance with others. Before graduating from Arizona State University with a BFA in Dance Education, Ashley studied abroad in Brisbane, Australia to further her studies in Modern, Jazz, Hip-hop and Tap at Queensland University of Technology. This is her 17th year teaching High School dance and loves having her students be a part of her life.
