

ParentVUE and StudentVUE Online Course Request (OCR)

To log into ParentVUE or StudentVUE you will need to go to <https://parentvue.husd.org/pxp/>. Here you will see options to log in as a parent or as a student. Select the appropriate option.

If you have logged into your StudentVUE/ParentVUE account before, you should have a user name and password. Enter it here and click "Login". If you have not previously logged into the site, you will need to contact your school to receive an activation key. Once you have the activation key, you will click on "I have an activation key and need to create my account>>". From there it will take you through the registration process and you will select your user name and password.

Once you are logged into ParentVUE/StudentVUE, you can select the "Course Request" option from the navigation bar.

Note: For parents with multiple students, please ensure you select the correct student in the "Select Child" bar before beginning the course request process.

Once you click "Search Courses" a list of all available courses for the department you selected will be returned. To make a basic course request, you will click the "Request" button next to the course. If you are making an alternate selection for electives, you would click the "Alternate" button. Then click "Click here to move selected requests to Selected Course Requests" and you will see your selections populate into the appropriate areas at the top of the screen. Note: The comment section will give you details regarding pre-requisites, the grade received in the class if already completed or notification that the student is currently taking the course.
