

Flyer Distribution

Our district wants families to know about valuable programs and resources in the community. To facilitate delivery of this information, approved community organizations can send their flyers home to families digitally through Peachjar.

To request flyer approval, follow the steps below.

1. Visit www.peachjar.com
2. Register as a Program Provider (account type)
3. Upload your flyer for approval

Your flyer will be submitted automatically to the Higley Unified School District for approval. Once approved, your flyer will be emailed to parents and posted to our web flyer board for the selected duration.

Peachjar does charge a fee for this service that is typically much less than the cost to copy and deliver paper flyers to each school.

Our district will NOT approve the following fliers:

- Political
- Religious
- Competing or similar programs already offered at our schools
- Any flyer that has a duration greater than 1
- Merchandise selling
- Flyers that promote programming during our school hours
