Incoming 7<sup>th</sup> Graders,

Are you an *experienced* dancer and would like to take dance as an elective at Sossaman Middle School?

Please join us on Thursday, February 21<sup>st</sup> for Advanced Dance Auditions! Sign in will begin at 4pm in the dance room (RM 505). Come dressed in clothes you can dance comfortably in.

**At auditions, we will be looking for the following technique abilities:**

- double pirouettes
- single stags
- leaps (front and center)
- battements (kicks)
- improvisation ability
- and great performance quality

**At Sossaman Dance, we like to have fun and dance with an open mind. Bring your individuality and a positive attitude. ALL STYLES OF DANCE ARE WELCOME.**

**What will auditions look like?**

We will begin with a group warm up and introductions. Then, two current Advanced Dance students will teach a short dance combination. Participants will audition in groups of six where they will perform the dance they learned at the beginning of auditions as well as across the floor jazz technique. Results will be posted on Ms. DelRosal's teacher page once all the scores have been calculated.

Parents are not permitted to attend/watch auditions. Students will keep in contact with parents/guardians once they have completed their portion of audition for pickup.

I look forward to meeting each of you on February 21<sup>st</sup>!

Go Spartans!

Ms. Brianna DelRosal
