ATHLETIC PARTICIPATION

Registration begins now for all year-round school sports. All athletes need to be cleared through [Register My Athlete](#). **Students must be cleared a week prior to tryout season to avoid delays.** The Athletic Department needs to have time to complete the clearance process after all information is inputted by parents. The [Register My Athlete](#) process is completely electronic. Please note it does take time to complete the entire process so do not wait until the last minute. Students can NOT tryout without being fully cleared from the athletic department. The participation fee of \$150 will be due after tryouts are complete and roster is official. Participation fees can be paid through new InTouch Receipting account. <https://az-higley.intouchreceipting.com/>
