Bring Your Own Technology

How to Log Into the Higley USD Mobile Network

- Sign in to the Chromebook with the owner account.
- Click the status area, where your account picture appears.
- Click Settings > "Internet connection".
- Select "Preferred Network"...
- Find the "One" network, select, and connect.
- Once connection is successful, open a browser and go to: <u>filter.husd.org/mobileLogin</u>
- Login in using Higley USD username & password.
- Open a new browser page and <u>Download required certificate</u> located at <u>http://www.husd.org/byot</u>

(Download directions are located below.)

- Be sure to note where you save the certificate file.
- Once logged in, , if idle the session will timeout in 15 minutes. This tab must remain open in order to keep an active session.

Issue: You need to install the HUSD homefilter.husd.org.crt certificate in Chrome.

Solution: To install the HUSD homefilter.husd.org.crt certificate in Chrome, open the Chrome browser type "*chrome://settings*" into the address bar and press enter.

HUSD Chromebook Ver 1.0 02/09/2017

Click on Show advanced settings

- Under HTTPS/SSL
- Click on Manage certificates

Click on Authorities tab

HUSD Chromebook Ver 1.0 02/09/2017

- Click on Import
- Import the "homefilter.husd.org.crt" by selecting the certificate file that you saved earlier and clicking

This file type is not supported. Please visit the Chrome Web Store to find an app that can open this type of file.

homefilter.husd.org.crt

Select "OK"

Note: this message will appear and there is <u>no</u> <u>need</u> to find an app in the Chrome Web Store to support this certificate file type.

- Under Certificate authority > Edit
 Trust settings > check all three trust options
- Click on OK

 Verify the SSL certificate: Issued To "homefilter.husd.org.crt" is installed.
