Field Trip - Important Information

We are looking forward to our fun upcoming field trips. If you prefer your child does not attend one of the field trips, please let someone in the Community Ed department know ahead of time, this will allow us to arrange for them to stay at one of our camp sites. (Kinder will be at Cooley Middle School, 1 - 6 grades will be at Gateway Pointe Elementary), these locations are ONLY for field trip days.

Field Trips will be offered to K - 6 grades. We will be doing some fun activities for PreK at their camp site.

We ask that you have your child to Gateway pointe a couple hours prior to the departure time (please see field trip schedule below for times and dates), this will allow us to get a head count for everyone and onto the bus and ready to head out.

Pool Day

We are excited for this year's pool day field trips. Please keep in mind, if you do not want your child to attend this field trip let us know ahead of time so we can arrange for them to stay back at one of the onsite camps. Please visit the Community Ed Summer Camp webpage for additional information on dates, times and important forms.

Important Information:

1. We will not be providing life vests, if your child cannot swim, please let us know so we can assure they stay in the kiddie pool. Please make sure your child wears the proper attire for the pool, this includes appropriate shoes.
2. Please pack a towel, sunscreen and a water bottle for your child. (we will not be providing sunscreen).
3. If you or your child would like to stay back from the pool day, please let us know prior so we can arrange for them to stay at one of the onsite locations. (Kinder will be located at Cooley Middle School, 1 - 6 Grades will be located at Gateway Pointe Elementary). These locations are ONLY for field trip days.
