ACCEPTANCE OF OPEN ENROLLMENT

The addition of students from outside a school's attendance area shall not detract from the offerings of the school, its programs, grade levels, or classrooms.

Parents must confirm acceptance within five (5) working days once receiving notification of acceptance. Open enrollment acceptance will be cancelled should the student miss the first ten days of school.

WHAT IS THE ACCEPTANCE PROCESS?

Acceptance of Open Enrollment applications are based on classroom availability. Using current enrollment, the district establishes each school's student enrollment, projected growth, and available space. Students who are currently enrolled, their siblings, and children of employees receive first preference.

WHAT HAPPENS IF WE MOVE OUTSIDE OF THE SCHOOL BOUNDARIES?

A student currently attending an HUSD school who moves or is identified to reside outside the attendance boundaries of the school or district will be given ten days to submit an open enrollment application. The student will have enrollment preference at the current school attending as long as attendance is continuous.

WHAT IS THE NOTIFICATION PROCESS?

Written notification will be provided to all applicants who submit completed application forms to the requested school.

TRANSPORTATION

Open enrolled students are eligible for District transportation on routes when space is available within the attendance boundaries of the school to which the student has been accepted for open enrollment transfer. It is the responsibility of the parents or guardians of the open-enrolled student to have the student at a designated pickup point within the school's transportation area. Applications are available at <https://www.husd.org/Page/12822>.
